Dear parents/guardians,

Warburton Primary School is forward planning for another rich and engaging year of learning and would like to advise you of our voluntary financial contributions for 2025.

Schools provide students with free instruction to fulfil the standard Victorian Curriculum and we want to assure you that all contributions are voluntary. However, the ongoing financial support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that is through fundraising, donations, or volunteering your time. This makes a huge difference to our school and the programs we can afford to offer.

Within our school, your support has allowed us to offer a wide range of subjects and special curriculum experiences for our students across all levels. Your contributions continue to enable us to purchase materials and equipment required for Art, Music, Performing Arts and Physical Education, as well as for our wonderful Harvest Café kitchen garden programme. We can also provide access to many hands-on learning materials for Mathematics and Investigative Learning and have well-resourced classroom libraries. These teaching and learning assets enable us to deliver quality teaching and learning programs across the core subjects of English and Mathematics.

This year we have moved to online ordering/paying for parents direct with our suppliers. All supplies will be delivered to school before the start of the new school year.
